Objective

Do you have an independent life, health, disability, long term care insurance agent? I would like to apply for the job.

Summary of Qualifications

Knowledgeable insurance professional with experience in both personal and business environments. Proven ability to solve larger financial problems faced by every American, be it dying too soon, living too long, or running out of money during retirement.

I have fifteen years of experience as an emergency department pharmacist. I see the unfortunate happen in my day-to-day work and want to ensure everyone has planning and protection in place.

Professional Experience

Independent Insurance Agent & Financial Planning 2021 - Present
Retirement Planning, Estate Planning, Business Planning, Private Banking
